BEN DAVIS HIGH SCHOOL
INDIANAPOLIS, INDIANA

Remember

1953

We, of Ben Davis High School, have many pleasant memories of 1952-53. Some are of thrilling athletic events, colorful dances, and club meetings. But perhaps first in our list of memories is the day by day record of an ordinary school day.

REMEMBER . . . the day started with the 7:30 rush in the morning. We jammed personal belongings and school books into overloaded lockers. We met friends, traded gossip, and exchanged assignments.

There followed the pleasant routine of classes. Some we hated, some we loved. In some we were wide awake, in others we were bored or hungry. But it was all part of a pattern of living.

All too soon the series of closing bells began, and we hurried to our busses, leaving our school and our friends until another day.

Those happy days are over, but the memories will stay with us forever—memories of 1952-53 as we lived it.

Wayne Central—home of 9B's.

WHEN THE HIGH SCHOOL BEGAN TO RESEMBLE A CAMPUS

TWO HUNDRED AND FIFTY GRADUATING SENIORS walked out of the senior building this year, leaving their books and classes behind them, but taking with them their priceless memories.

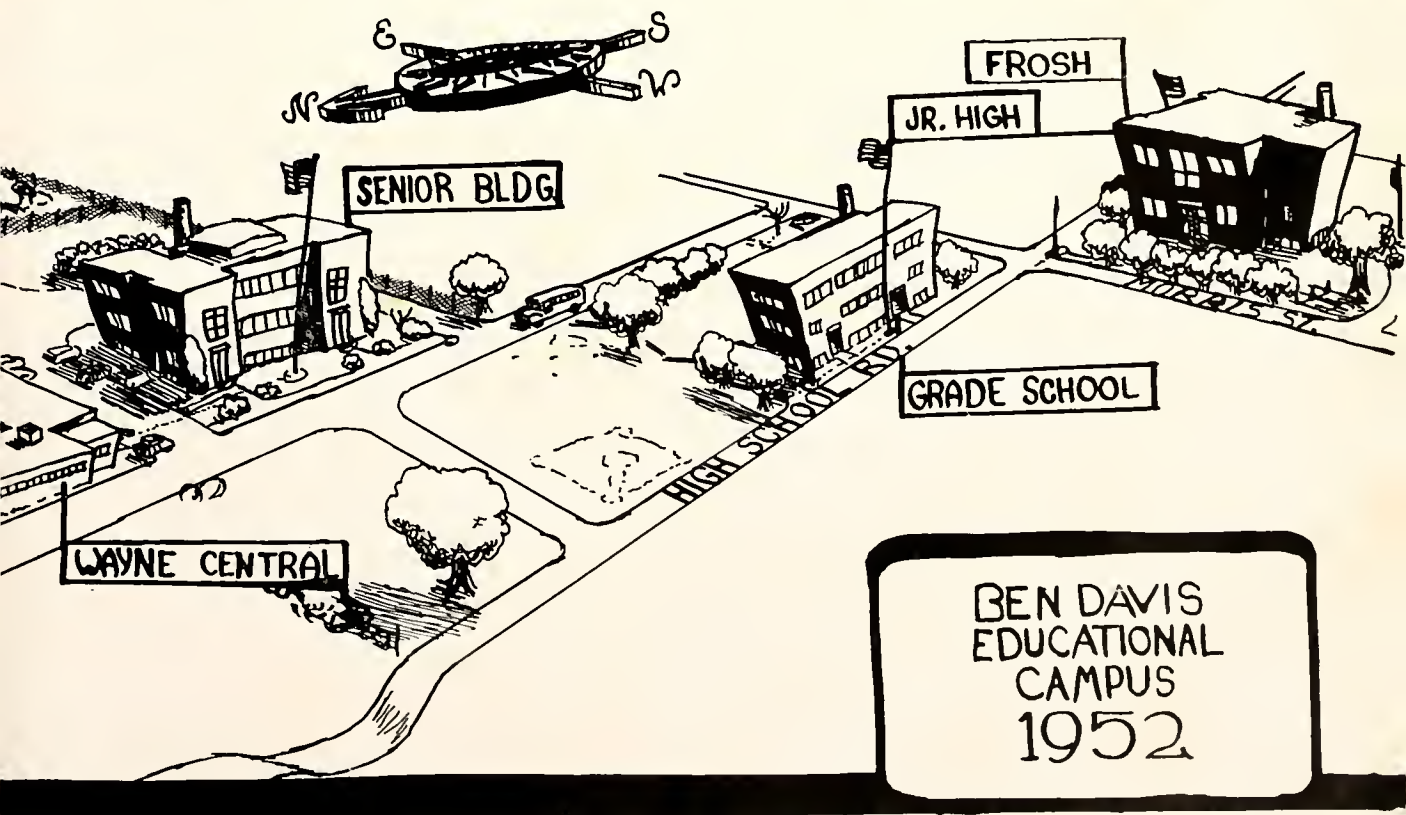

In the four years they attended Ben Davis High School, these seniors had seen many changes. One of these changes, the addition of a new building to our campus, made four schools within walking distance (counting the grade school in the total).

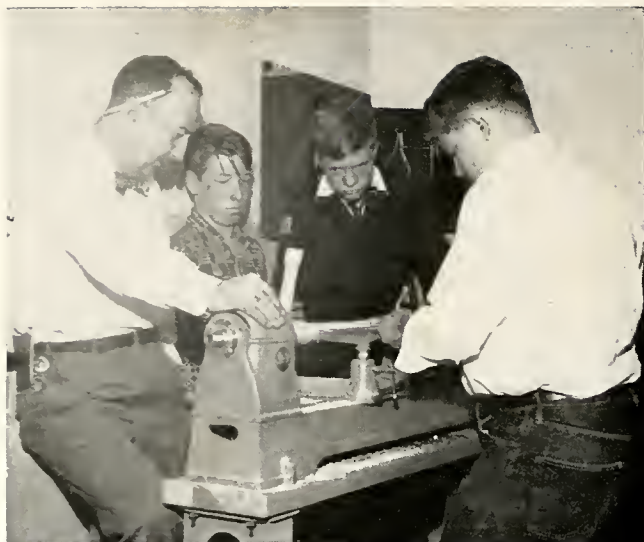

For the first time, eighth graders became part of the high school, for the old freshman building was turned over to 8B's and 9A's.

The 9B's were the envy of the high school with their new, modernistic building, Wayne Central, with its comfortable desks, its enormous windows, and its green blackboards.

Since the day they entered high school, these 250 seniors had seen enrollment triple. In fact, since 1915, student enrollment at Ben Davis has grown to 25 times its original size.

Perhaps the children of these graduates will some day attend a Ben Davis High School with a campus as large as a state university.

VOCATIONAL SUBJECTS were usually gone into more extensively in the senior building. But the frosh building had a newly equipped shop this year. Mr. Har-ker put the new machinery in his shop to good use.

About 12 boys, who were mechanically inclined, spent their spare time on repair-ing school equipment.

Here we see Norman Cochran, Don Burton, and Clifford Jones learning to use a turning lathe.

LATIN was a subject we needed in college, but was a good basis for grammar for all students. Mrs. Wampler made the ancient Romans real to us and we were amazed to find that they were responsible for many of our modern customs.

We spoke Latin during class. We also found that our newspapers were filled with Latin words as they were originally written.

Mary Hodges, Joy Hoover, Elizabeth Sheffer and Ruthann Applebee study while Mrs. Wamp-ler helps.

BIOLOGY was another subject we needed for college. Mrs. Crider's classes enjoyed their work so much, they seldom glanced across at the senior building. As a climax to the studies during the year, an all-day picnic combined fun with gathering speci-mens, in the spring.

Here we see Emil Stelzel, Linda Oglesby, and Ann Raybould discussing one of the many speci-mens used in class work.

OUR DAILY CLASS PROGRAM COVERED FOUR CURRICULAE

COMMERCE prepared us for success in the business world. Commercial law, shorthand, typing, bookkeeping and office practice gave us all the background we needed to get good jobs.

Office practice girls gained further valuable experience when they were assigned to help Mr. Girton.

Norma Fox and Robert Smith discuss bookkeeping problems with Miss Kennedy.

THE HOME EC DEPARTMENT trained us to be better homemakers. We sewed and cooked; we learned home nursing, health, family relations and child care.

Our busy teachers spent their summers doing 4-H club work. Many prize winners were developed by Miss Wilkinson and Mrs. Welch.

Joyce Denney, Carol Ann Campbell and Lois Bibbs listen to Miss Wilkinson talk on child care.

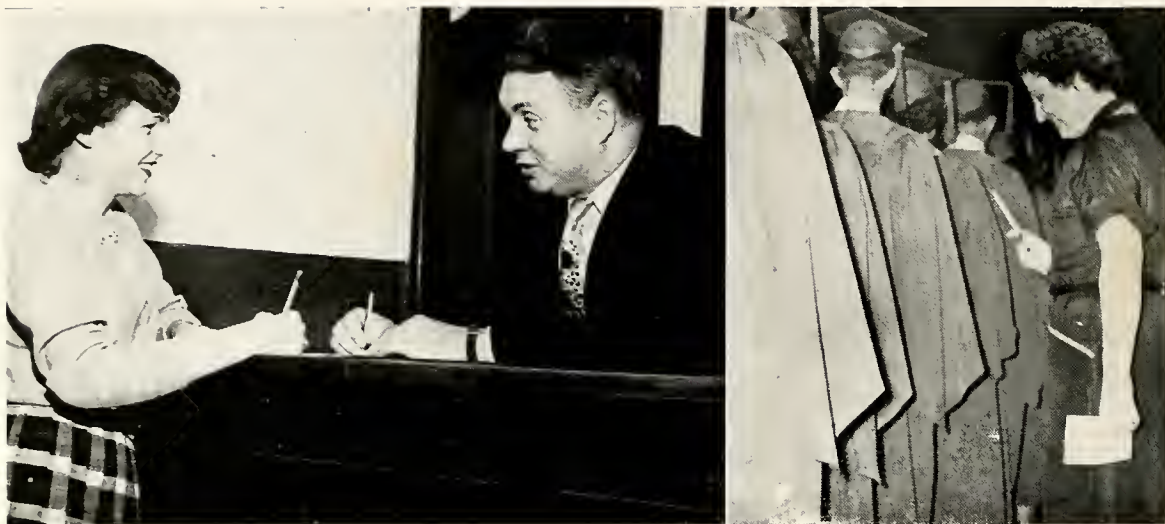

PSYCHOLOGY was a subject we took because we wanted to know what "makes people tick."

Tom Baldauf, John Pacala, and Barbara Mullinix pondered over problems of human behavior while Mr. Mahan did some "over the shoulder kibitzing."

VOCATIONAL AND COMMERCE**

SEPTEMBER AND MAY BOUNDED A WIDE VARIETY OF ACTIVITIES

From registration to graduation, nine months that seemed to pass in a flash, were filled with activity. Classes, clubs, extra-curricular activities, six weeks grades, school dances, and sports, filled our days to the brim.

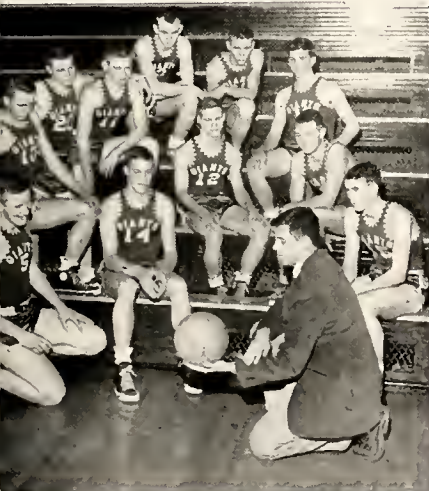

Mr. Girton (see picture above) consulted with us about programs at the start of the year. Miss Carruthers watched carefully to see that we were in step as we started that last long trip down the gym floor, to the stage for graduation.

Our Team Tried to Look Bored At Convocations in Their Honor

The County Champs of the basketball tourney are: left to right—Dick Pettitt, Eddie Weil, Bob Wilbur, Joe

Preiner, Bob Britt, Floyd Brunes, Ronald Ragan, Fred Stegemoller, Jim Stephens, Tom Kepler, Dick Lepper.

HONORS CAME TO US THIS YEAR

Ben Davis High School is proud of its cose filled with trophies won for outstanding performances by our students.

Not all honors brought tangible prizes. Some were purely honorary.

We appreciated these people, for good publicity made ours a school whose name we were proud to put on our job applications, and on our college entrance blanks.

* * *

In o district band contest Paul Abbott, playing an alto saxophone solo, and a trumpet trio consisting of Wayne Dell, Jim Smith, and Tom Bauer, won first places.

* * *

Norita Nachoff, senior, selected by her classmates and teachers for the annual D. A. R. good citizenship award based on leadership, cooperation, scholarship and service, gave Ben Davis a county winner for the first time.

* * *

Our varsity basketball team brought us renown by winning the County Basketball Tourney this year.

* * *

Many contests were open to students in English courses.

Dwight Abbott is shown discussing his victory in the "I Speak for Democracy" contest with Barbaro Dreyer who won an oratorical contest sponsored by the American Legion.

* * *

National honors came to us in December. A vegetable judging team, consisting of Dwight Abbott, Ruth Ann Schuh, and George Hadley, won first place in the National Vegetable Grower's competition in New York.

Here we see Dwight Cottingham, Ag teacher, showing his happy team the coveted Snyder trophy which remains in our possession a year.

* * *

Perhaps other honors came to our school after it was too late to take pictures. For instance, Barbara Dreyer, Joan Karl, and Janet Keister, were chosen to go to I.U. to Girls' State in the summer. Joan Ryan was the alternate. And Mary Ann Moines won a \$250 Home Ec Scholarship.

But these ore a few of the outstanding students in Ben Davis during that year we remember—1952-53.

Remember 1953

THESE WERE FAMILIAR EVERY-DAY SCENES

LUNCHTIME! WHAT A PLEASANT BREAK. The food in our cafeteria was something to remember — well cooked, varied and attractively served. Miss Senour, the manager, made our scarce 25 minutes in the cafeteria pleasant with seasonal decorations.

... Study halls relieved us of after-school pressure of work. Since we came by busses, we put in a full day at school, regardless of how many classes we took.

... Our library was a pleasant place, modern, filled with an amazing variety of books. There were 3,000

volumes on assorted subjects on its shelves. In all 3 buildings, the school owned 6,000 books.

This year, a new library was opened in Wayne Central. It is one of the show places in a building of beautiful rooms.

... Roll room took up 15 minutes between the first and second period. We grew to know one another better in that time. Our busy teachers worked out our plan sheets with us, collected funds for various drives and ticket sales, and listened to our problems.

JAMES SHOCKLEY, dean of boys, was the first person we saw when we returned to school after an absence. And sometimes he was the last person we saw — if we were naughty and had to stay after school!

MRS. HELEN MERCER, dean of girls, took care of our ills, signed our absence slips, and counselled us in time of trouble.

Mr. Shackley shows Bob Gary his absence record.

Mrs. Mercer signs an excuse for Jaan White.

OF OUR DAY BY DAY LIFE AT BEN DAVIS

THE WATER FOUNTAINS in the hall were a favorite meeting place. They also were the object of discussion and editorials in the school paper. They could always be depended on to squirt in one's face or over one's clothes.

David Saurbough and Floyd Brunes try out the squirty fountains for Martha Teeters and Joan Hanneman, while Ted Botkins talks over his next assignment with Angie Delaff.

Mr. Baker and Miss Dierdorf are laughing over a funny answer made on an exam paper. Mrs. Wells and Mrs. Jay on one side, and Mrs. Fravel and Mrs. Doyle on the other, carry on a four-sided conversation before the meeting starts. Miss Martin stops to listen.

EVERY MONDAY NIGHT our teachers held meetings in room 202. Those of us who walked past the door, enjoyed seeing adults sitting at desks, looking like pupils for a change.

On Tuesday, at roll room, the results of these meetings were passed on to us.

Teachers were an important part of our lives. Sometimes we griped about them. But most of us realized that they were human beings who sincerely liked young people. That was the real reason they chose this profession.

Remember 1953

LUNCHTIME was often the only occasion for our busy teachers to get together. This year, for the first time, they were able to get 25 minutes relief from the day's noise. Mr. Cloyd's room was set off "For Teachers Only."

Mrs. Ball faces Mrs. Fravel, Miss Duncan, and Mrs. Faust at the lunch table.

FACULTY

Dolores Kent, office worker, reports to Mr. Charles Vance, principal, for dictation. Office practice girls relieved the busy administrator of many routine chores.

THE OFFICE WAS THE CENTER OF ACTIVITY

MR. VANCE'S DAY was one of problems. Administering the largest township school in the United States was a difficult and complex job and required many more hours than the usual eight spent by most business men.

Besides his full day, he spent many nights a week attending school affairs.

His job required an almost encyclopedic knowledge of everything taking place in three buildings.

BERNARD DE WITT, made Wayne Central a happy, well-managed building for the 9B's.

Our school was so crowded that some upper classmen had study halls in the new building.

WILLIAM GIRTON, registrar, and **MRS. ALICE HARKER**, office clerk, answered our many questions, made out our program cards, and attended to the countless clerical details necessary to the smooth running of a large school.

GORDON HARKER moved up this year from athletic director to vice-principal in charge of the freshman building which housed 9A's and 8A's.

MRS. JESSIE KIRK, head of the commerce department, instructed her clerical practice girls in the use of the business machines in the mimeograph room. Lavada Price and Norita Nachoff were interested spectators.

THE COMMERCE DEPARTMENT PREPARED US TO EFFICIENTLY TAKE OUR PLACES IN THE BUSINESS WORLD

TOP ROW—**WOODROW BAKER**, bookkeeping and commercial law; **MISS MABEL DIERDORF**, shorthand; **MISS HAZEL KENNEDY**, bookkeeping, supply room, school accounting; **CARL NAUGLE**, commercial arithmetic, algebra, geometry.

ROW 2—**MRS. FLORA FAUST**, typing; **MRS. LORA FRAVEL**, bookkeeping; and **MRS. MILDRED DOYLE**, general business.

THESE TEACHERS gave us an excellent start toward earning our living. As commerce students, we learned all the basic skills needed in clerical jobs.

ENGLISH TEACHERS

taught us grammar and how to express ourselves clearly, both in writing and speaking. They also acquainted us with good literature.

Besides these subjects our English courses offered us speech and journalism. We learned to face an audience and we learned to meet a deadline.

Geraldine Hingle discusses her English courses with Mrs. Elsie Ball, department head.

ENGLISH WAS A SUBJECT WE ALL TOOK

TOP ROW—MRS. BENEDA CAMPBELL, English, Red Cross sponsor; **MRS. RUTH GOOCH**, English, Library; **MR. DONALD HANSELL**, English, Booster Club and Dramatic Club sponsor; **MRS. ESTHER HUSTON**, English.

ROW 2—MRS. WILMA JAY, English, clinic, Sunshine Society sponsor; **MRS. KATHLEEN KEILMAN**, English, journalism, publications, and Quill and Scroll sponsor; **MR. JAMES SHOCKLEY**, English and Dean of Boys; **MRS. ALMA STEINER**, English, library.

ROW 3—MRS. MARTHA WELLS, English.

MISS OLIVE CARRUTHERS, history department head, explains the process of voting by machine, to Lee Bryant and Lois Bibbs, in this important election year.

HISTORY ACQUAINTED US WITH NOTEWORTHY EVENTS OF PAST AND PRESENT

TOP ROW—**TRENT GIPSON**, R. O. T. C., world history, Reserve basketball and football coach; **THOMAS MAHAN**, U.S. history, psychology; **MISS MARY MC-LANE**, U. S. and world history, Sunshine Club sponsor; **LOUIS PARNELL**, world history, football, track, and wrestling coach.

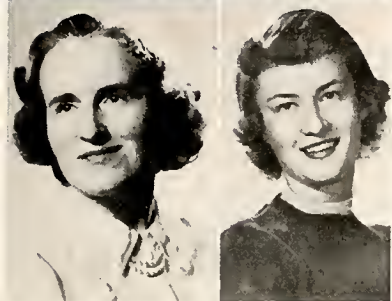

ROW 2—**PAUL RITTERSKAMP**, cross country coach, economics and U.S. history; **CLAUDE WALLS**, economics and U.S. history.

WE HATED to learn dates and names, but we realized that history acquainted us with the great events of the past, in order that we might imitate its successes and avoid its failures.

Through civics, we began to know our government and we trained to become better citizens.

TOP ROW—MRS. HELEN WAMPLER, Latin, library, SPQR sponsor and Sunshine Club assistant sponsor; **MRS. HELEN MERCER**, bible literature, Language Department head, Latin Club, Dean of Girls.

SECOND ROW — MRS. ESTHER STEINDORF, Caesar, English, Latin Club, and Sunshine Club head sponsor; **MISS MARGARET DUNCAN**, world history, Spanish, library.

WE LEARNED about the customs of other lands and other people through the teaching of our language department.

By actually following some of the rites of ancient Rome, we better understood the lives of our forefathers.

LANGUAGE AND SCIENCE DEALT WITH LIFE AND WITH PEOPLE

TOP ROW — GERALD DEWITT, varsity basketball, freshman football, biology; **JOHN MASARIU**, health, biology, gym, freshman basketball, reserve football and baseball.

SECOND ROW—ROBERT CLOYD, botany, varsity baseball coach; **MRS. ELIZABETH CRIDER**, biology.

BOTTOM ROW—LELAND MILLS, physics, botany, vice-principal, photo club, Science Department head. **VICTOR POE**, chemistry.

Mr. Mills discusses an experiment with Tom Baldauf and Bob Babcock.

THE SCIENCE DEPARTMENT offered us courses in general biology, and a study of living things, a year's study in the field of botany, a year of chemistry, and a year's work in physics.

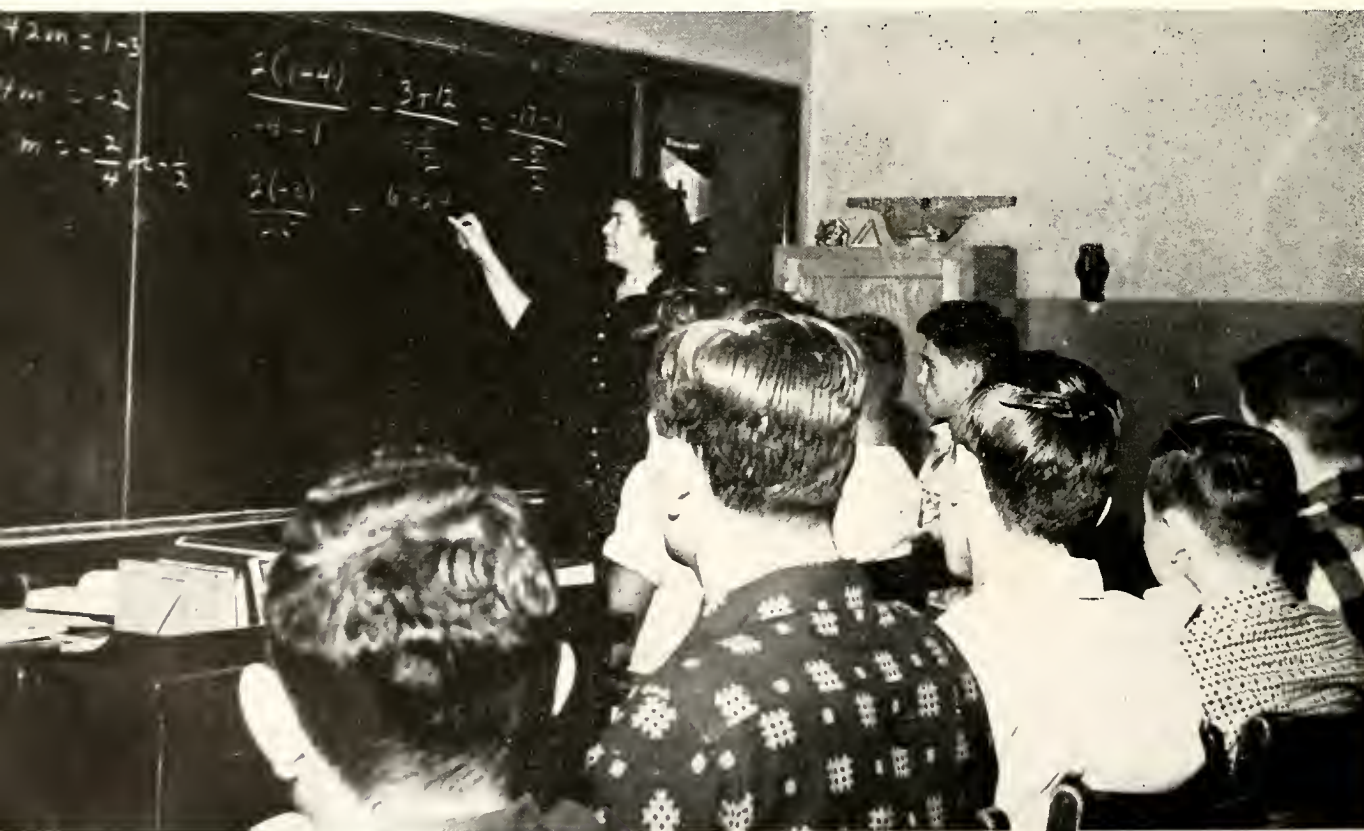

MISS GLADYS DAWSON, algebra, general math; **CLETIS JENKINS**, general math, algebra; **MRS. HELEN POINCE**, geometry; **MRS. MILDRED SHIRLEY**, general math, algebra.

THE MATH DEPARTMENT offered us subjects for both college entrance and business life. Plane and solid geometry, algebra, general math, trigonometry, and commercial arithmetic gave us a wide selection.

Skills in solving problems and development of our reasoning powers came to us through the guidance of our math teachers.

MATH DEVELOPED OUR REASONING POWERS

MISS NINA MARTIN, department head, led us into the mystery of algebra problems. She also taught Algebra III and IV, Geometry I and III, and Trigonometry.

VOLLEYBALL, basketball, softball, dadge ball, and calisthenics, were some of the activities we engaged in during gym classes.

Girls and boys used the big gym at the same time. A sliding panel made two rooms out of one.

PHYSICAL EDUCATION WAS ONE CLASS WE ALL ENJOYED

DEVELOPING strong and healthful bodies was not the only aim of the physical education program.

Games of all types taught coordination and good sportsmanship; calisthenics helped us to

handle ourselves better; exercises in good posture enabled us to have poise at all times.

Crowded conditions and the lack of a gym in Wayne Central meant that junior and senior girls were not able to take physical ed training this year.

MRS. MARGARET DUNLAP, bowling, gym, G. A. A.; **MISS HELEN PHILLIPS**, gym, G. A. A., cheerleaders; **HOWARD WOOD**, gym, athletic director.

WE LEARNED to be good housewives in home economics, and we discovered that home-keeping is as much a career as a job in an office.

MISS HARRIET WILKINSON

Home economics III, IV, and VI; 4-H Club sponsor.

MRS. MARTHA WELCH

Health, home economics I and II, 4-H Club sponsor.

MISS MILDRED SENOUR

Home economics I, and supervisor of cafeteria.

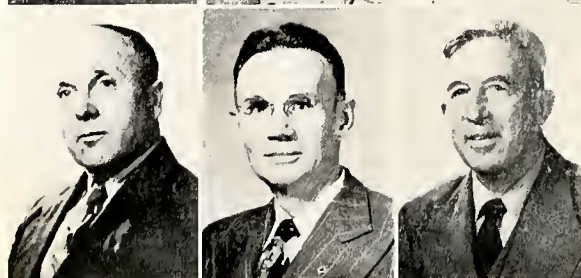

FUTURE HOUSEWIVES WERE TRAINED HERE

EIGHTH GRADERS JOINED US THIS YEAR

FOR THE FIRST TIME, the eighth grade joined the Ben Davis campus group. Mr. Gordon Harker, formerly athletic director, became principal of the old freshman building and Mr. Bernard DeWitt moved, with the 9B's over to the new Wayne Central.

In the old building, 8B's and 9A's were housed this year. This was the third change for what had once been the only high school in Wayne township.

Our eighth grade teachers were **MRS. BERNICE ALLEN**, social studies; **MISS MARILYN BENSON**, gym and G.A.A.; **MRS. RUBY HIATT**, literature; **BERT MILLER**, math; **VORIS SMITH**, English; **JOHN VAN LIEU**, gym.

MISS IRENE ROBEY, counsellor, remedial reading, supervision of clinic; **OMAR RYBOLT**, music department supervisor, vocal music; **RALEIGH ROACH**, shop; **MRS. FAYE NELSON**, art; **DWIGHT COTTINGHAM**, agriculture, 4-H club sponsor; **MRS. LOUISE WILLIAMS**, supervisor of libraries.

SPECIAL SUBJECTS WERE OFFERED TO ROUND OUT OUR COURSES

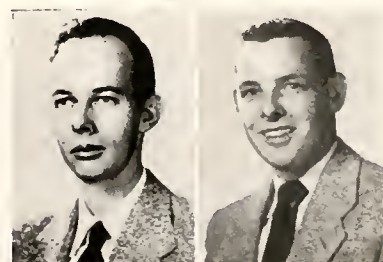

EIGHT TEACHERS supervised subjects that could not be classified in any special department.

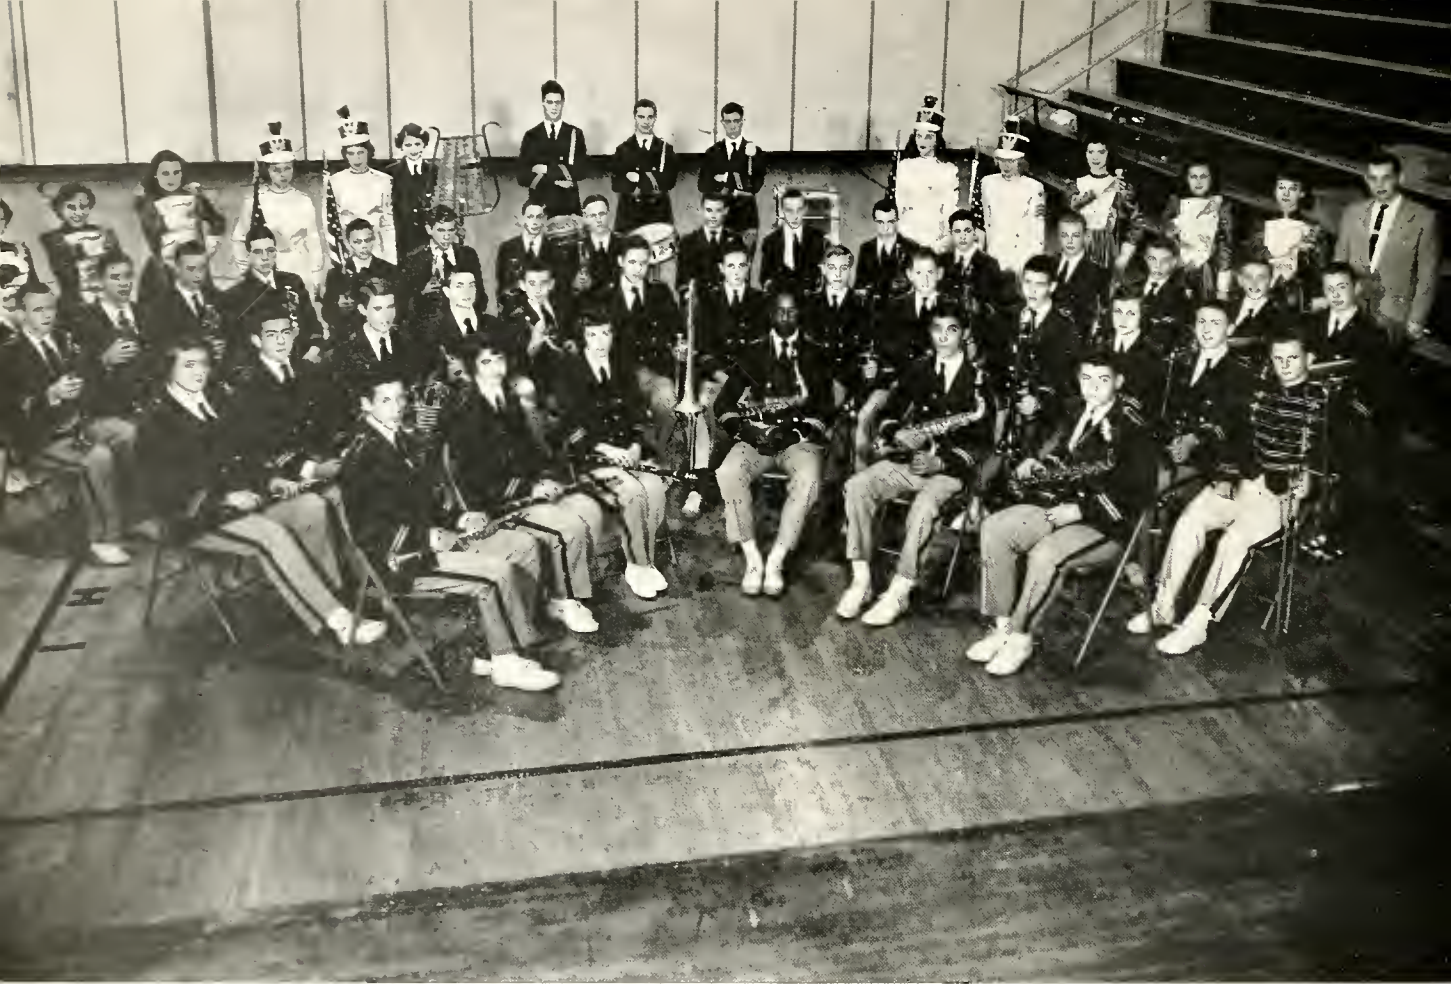

Art, music, shop, and vocational ag were not required for graduation. They were courses we chose because we liked them.

College requirements, a testing program, and remedial reading were part of the counseling program.

Library lessons acquainted all freshmen with the method of classifying and filing books. Students who assisted Mrs. Williams, learned the fundamentals of being librarians.

KENNETH HAYES, shop;
WILLIAM RODERICK, band.

TOP ROW—Mona Inman, Marilyn Stoute, Carolyn Wood, Patsy Petzhold, Dorothy Johnson, Arlene Hoaver, Glenn McDaniel, Bob McMahan, Larry Jayne, Luann Ahnafield, Betty Sutton, Wanda Snyder, Joan Ragan, Joyce Hera, Mr. William Raderick, band leader.

ROW 2—Bill Roach, Tam Weaver, Dale Johnson, Tom Bauer, Gene Blythe, Jim Smith, Don Melton, Wayne Dell, Carl Hatch, Don Hawkins, James Woodward, Jerry Hechinger, George Anacher, Allen Burkhart, Pete Davis, Dave Polk.

ROW 4—John Keen, Nola Smith, Barbara Neill, Charles Williams, John Codalota, Richard Finchum.

WHILE WE were working off our graduation requirements there were some special courses we could take. Included in these were band, chorus, publications, and R. O. T. C.

Each of them had extra-curricular activities, such as dances or performances of one type or another.

Remember 1953

BETWEEN HALVES of the varsity games, the drum major and the majorettes led the band in colorful formations. Phyllis Poe is the only one of the group who will be back next year.

LeRoy Eckert, Jerry Lou Smith, Phyllis Pae, Betty Owens, and Shirley Ann Wright, in their attractive purple and white satin uniforms, posed for the camera.

SPECIAL CLASSES

SEATED—Bob Wilbur, Jerry Rushton, Joyce Ausherman, Sue Schoenemann, Dolores Kent.

STANDING—Richard Knarr, Ronnie Grimes, Ray Montgomery, Carl Rudicle, Gerald McKern, Carolyn Byrkett, Jim Hanna, Phyllis Poe, Jo Ann Bothwell.

PUBLICATIONS WERE OUR BUSINESS

THE KEYHOLE WAS A DAILY PROJECT, starting in July when it was planned at I.U. and ending in April, when we went to press.

During the winter we sold books, we sold ads, we gave a Hillbilly Hop and elected Gold and Silver Keys. Every day we spent two and three hours mounting pictures, writing editorial content, and typing identifications.

Sue Schoenemann, our editor, did an outstanding job this year.

Richard Knarr drew the cartoons for the book; Jim

Hanna took many of the pictures; Joyce Ausherman and Dolores Kent worked on the editorial content and seniors; Ray Montgomery, Carl Rudicle, and Gerald McKern sold ads; Ronnie Grimes supervised the finances; Phyllis Poe took charge of circulation; Carolyn Byrkett and Jo Ann Bothwell made themselves extremely useful in all departments. Bob Wilbur and Jerry Rushton wrote the sports section.

It was a long grind but this book will always be one of the most important things in our lives because—we did it.

Members of the staff stayed late, typing and mounting pictures. Jo Ann Bothwell, Sue Schoenemann, Phyllis Poe, and Carolyn Byrkett ate sandwiches, potato chips, and cokes as a snack when working late.

FIRST SEMESTER STAFF — Seated, Betty Owens, Jerry Lou Smith, Gary Conger, Sandra Rutledge, Pat Beck. Standing, left to right, Dorothy Johnson, Ronnie Grimes, Bob Phillips, Mrs. Kathleen Keilman, advisor of paper and annual.

SECOND SEMESTER STAFF—Seated, Jerry Rushton, Roberta Dean, Marilyn Stoute, Ronald Bryant. Standing, Carol Campbell, Edward Arnold, Bob Wilbur, Jim Hanna, Mary Tomlinson, Betty Gillis, Joan Bothwell, John Dunn, Gerald McKern, Carol Miller, Nancy Wilson, Ray Montgomery. Carolyn Byrket was absent when photograph was taken.

WE LEARNED HOW TO PRODUCE A NEWSPAPER

EVERY SEMESTER, a new staff was initiated into the intricacies of producing a newspaper. Those of us who made B in beginning journalism were allowed to take the advanced class.

Soon we were struggling with inverted pyramid stories, headlines, deadlines to meet, make-up of pages, circulation, and visits to printers.

We learned to work on our own initiative, to

cooperate with others, and to meet the public. We became amazed at our ability to express ourselves concisely.

And we looked at our bank balance with a special interest, remembering the flowers and Xmas books we sold, the extra papers we peddled, and the business men we convinced of the value of advertising with us. We now knew how to run a small business.

TOP ROW—Larry Berry, Larry Axsam, John Keen, Jack Marsh, Mr. Omar Rybolt, director, Ivan Jones, Jack McClain, Tom Weaver, Bob Belcher.

WE SANG OURSELVES INTO FAME

OMAR RYBOLT and his talented choir members brought Ben Davis renown. Many organizations and churches invited our Purpleaires to sing. A few were Roberts Park, and New Palestine Methodist churches, the Veterans' Hospital, Murat Theater, and Franklin Masonic Home.

At Christmas we bundled up well and sang on the monument steps. Once we sang over the radio as guests of the Third Christian Church.

Every year, in the spring, the department gives a musical comedy or operetta. This year it was the "Desert Song."

The music department's annual production comes too late in the spring to make the current yearbook.

This scene is from "The Cousin from Coan Ridge," a rollicking musical comedy given in the spring of '52.

R. O. T. C. Prepared Us For Army Life

IF OUR SCHOOL used only adult employees to take care of the clinic, library, and offices, the payroll would soar. Student assistants helped keep costs down.

And besides aiding the school, these boys and girls learned valuable skills in clerical practices.

Library girls checked books in and out, typed records, recovered magazines, and did filing.

Office girls answered phones, ran errands, typed, took dictation, and performed many routine tasks.

Clinic helpers bandaged cut fingers, sewed on buttons, and helped care for anyone who was ill.

Remember 1953

Frosh librarians took great pride in Wayne Central's beautiful library. Blonde maple furniture, flowers, and rows of new books made this one of the most attractive rooms.

STANDING — Walter Houck, Deanna Wilson, Charla Brawn, Judy Brackman, Annette Hunt, Carolyn Paynter, Myrna Patter, Jerri Shinkle, Kathy Criss, Darlene Smith, Marie Maya, Portia O'Haver, Calleen Murray, Carolyn Goode, Jay Haaver, Judy Brittenback.

Band-aids on cut fingers, headache tablets given to sufferers, buttons sewed on—these were some of the emergencies those of us who worked in the clinic faced.

Miss Robey, who supervised those of us in the senior building, saw that two girls were assigned to the clinic each hour of the day.

STANDING: Carolyn Bottoms, Joyce Wood, Judith Snodgrass, Nellie Poland, Judy McWilliams, Sue Ella Gray, Shirley Nachoff.

SEATED: Barbara Brantley, Janice Truax, Mary Dee Hoover, Mrs. Wilma E. Jay, supervisor.

TEACHERS WERE IMPORTANT PEOPLE in our lives, but other persons behind the scenes were very important to our welfare, also.

The maintenance men and women kept us warm, cleaned our buildings, repaired anything broken, or out of order. We seldom saw them, but we knew they were there, and we were grateful.

J. P. NEELY, head man, **LEMUEL BAIRE**, **CARL FINCHUM** (student helper), **THOMAS KUCHENSKI**, and **MRS. MARY YOCKEY**, were our hard working custodians in the senior building.

PAUL WATTS, **HIRAM WATKINS** and **FRED BARKER** were employed in the other two buildings.

MR. PARKER DUNN, our trustee, made frequent trips to the school to see that everything possible was done to keep the taxpayers property in good condition.

Mrs. Yockey hands a light bulb to Mr. Neeley to change.

WE REMEMBER THE PEOPLE WHO KEPT US COMFORTABLE

MEALS IN OUR CAFETERIA were excellent. Besides giving us variety from which to choose, food was well cooked and attractively served. The big kitchen was open to our view and it was always spotlessly clean.

These were the ladies who, with **MISS SENOUR**, the manager, made us among the best fed students in the state. **MARY RAMEY**, **MARY LANDREGAN**, **GERTRUDE SELLERS**, **ALICE ARMSTRONG**, **LULA TOMLIN**, **RUTH SMITH**, **MARTHA BARNHARDT**, **MABLE MURRAY**, **FANNIE HOPKINS**, **SALLIE POWELL** and **MILDRED SENOUR**.

Lyman Smith, Jim Price, Mr. Dwight Cottingham, Ag teacher, Dale Messmore, Bradley Bingman, Donald Trisler, and Donald Jones use the welding machine.

WE BECAME SKILLED AT FARM AND HOME REPAIRS

Paul Dean, Mr. Kenneth Hayes, shop teacher, Heber Cassidy, Bob Eastridge, Ronald Lemasters, Isaac Flanigan, Emil Thompson, and Kenny Fullen.

IN AG we learned to be self-sufficient farmers. We became expert horticulturists. Dairying, poultry and swine raising were part of our curriculum. Field crops were thoroughly studied.

To round out our course we learned soldering, electrical installation, welding, grinding, woodworking and forging—all trades necessary to keep our farm machinery repaired and our barns snug.

Hi-Y and Sunshine Society gives a combined dance once a year. Here Mr. Shockley watches while John Pacala, Janice Gossett, Jim Chapman and Joyce Hera discuss plans with Mrs. Steindorff.

A LOT OF US felt that belonging to clubs was an important part of our school life. Some of the organizations stressed service to others, some gave help with class subjects.

Most clubs had projects. Some of them also had purely social functions, ranging from the elaborate Sunshine Society formal dance, to the Trialges' Christmas party when a tree was decorated in the cafeteria.

Remember 1953

TENSE ACTORS WAITED behind the curtain for their cue to go on. Once on stage, however, they gave unusually fine performances.

Mrs. Elsie Ball, the director, had a reputation for making brilliant actors out of people who normally did not seem the dramatic type.

Beside those who regularly appeared in most of the plays, each production usually introduced a new star.

CLUBS AND ACTIVITIES

WE, WHO WERE interested in dramatics, were a close-knit group. We gave plays for the public, and dinners and parties for ourselves. Our coach, Mrs. Elsie Ball, entertained us in her new home, often.

If we earned enough points as Dramatic Club members, we were privileged to join the National Thespians, an honorary organization for dramatists. Initiation services were impressive.

Everyone who had anything whatsoever to do with our productions, from the stage manager and prompter, to the hero and heroine of the play, had a chance to earn these points.

This year's Thespian play was "The Curious Savage."

Officers of the Thespians "talk it over." Norita Nachoff, vice-president; Ruth Eason, recording secretary; John Pacala, president; Jim Chapman, treasurer; Danna Lynn Andre, points secretary.

DRAMATISTS HAD A STRONG TIE IN THEIR COMMON INTEREST

Members of National Thespian Society, an organization of dramatists, included

Drama Club Members

ALL THESPIANS were Dramatic Club members but not all Dramatic Club members were Thespians. We served our apprenticeship in the drama group.

The Christmas play, "A Song Is Born," was presented at convocation; "The Ring and the Look" and "Sparkin," one act plays, were presented before the members only. Many Dramatic Club people took part in the senior play, "One Foot in Heaven."

One memorable event was our trip to Purdue to see a production of "Merchant of Venice."

OUR ANNUAL DANCE for Thespian alumna was eagerly anticipated.

We usually spent hours transforming the gym into a fairyland. The theme this year was "The Enchanted Forest."

Dresses were lovely formals. Everyone demonstrated the good manners that they had learned as part of their course. Old friends greeted one another, and the sponsor, with affection.

Carol Myer, Carol Ross, Pat Van Strohe, Barbara Dryer, and Norita Nachoff, were Sunshine Society officers.

ON THE FIRST THURSDAY of every month, a group of 300 girls, members of the State Sunshine Society, met in room 201. The meeting usually started with the singing of the Sunshine song. Norita Nachoff, our president, then led us in repeating the Sunshine creed.

After old and new business was discussed, the informal part of our meeting proved very interesting.

During the year, speakers were brought in to talk to us. We voted to help with the state project, the Riley Hospital fund, and we packed Red Cross boxes. If we earned enough service points, we put on new formals in the spring and danced in a beautifully decorated gym, at our annual Spring Formal.

Officers of the Photo Club, Karen Carlisle, secretary, Dan McAninch, treasurer, Jim Hanna, vice-president, and Larry Axson, president, discussed new projects for the club whenever they could get together for a conference.

ON THE FIRST THURSDAY NIGHT in the month, shutterbugs gathered in the chemistry room for a meeting of the Photo Club. About 20 people regularly attended, but 30 or 40 were on the roster.

The composition of pictures, lighting, and camera setting were the things we discussed most often. Often we brought photographs we had taken, and let the rest of the members criticize our efforts.

Sharing an interest in capturing lovely scenes or unforgettable moments in pictures, we became firm friends.

SOME OF US thought math was something we used only in classrooms. Then we joined the Trialge Club and learned of many other uses. By playing games and listening to speakers, we had an entire new world opened to us.

At one meeting, we made figures to represent propositions in plane geometry.

Two of our members, Blanchard Smith and James Langhammer, exhibited theirs at the Science Fair at Butler in the spring.

Our annual Christmas tree project furnished the cafeteria with a beautiful decoration. We were surprised to see what attractive ornaments geometric figures could make.

Trialge officers were: Bob Belcher, treasurer, John Stiff, vice-president, Bob Mock, president, and Edith Ann Shadley, secretary.

WE HI-Y MEMBERS were a service organization group connected with the Young Men's Christian Association.

During this past year we sold cokes at the ball-games to make money for World Service. We gave a gift to the Y. M. C. A. Building Program in Indianapolis.

At Christmas we furnished gifts and toys for 17 people and clothed a number of boys.

Funds from our treasury sent boys to district and state conferences where we took part in county Y. M. C. A. induction ceremonies.

We took part in a model United Nations assembly with our club representing 3 nations.

During the year we also sold Hi-Y basketball schedule pencils.

Hi-Y officers met to discuss projects for the season. Chester Freeland, president, talks with Alan Burkhardt, treasurer, John Pacola, secretary, Jim Dearmin, vice-president, Richard Carpenter, chaplain, and Jimmie Chapman, member.

BECAUSE IT IS strictly an honorary organization, Quill and Scroll, International Honor Society for High School Journalists, is necessarily small.

Those of us who made it, gave outstanding service to the school newspaper, the Spotlight, or to the annual, the Keyhole, and were in the upper third of our class.

Formal initiations were usually held at the home of our sponsor, Mrs. Keilman. The Ben Davis chapter of Quill and Scroll combined with other chapters of the city this year to form a council. A dinner was their first public relations project.

Our Quill and Scroll members were invited to represent the school at initiations or installations of chapters in other schools, also.

Officers of the Quill and Scroll were, president, Phyllis Morton; secretary-treasurer, Joyce Ausherman; vice-president, Dolores Kent.

WHEN LATIN CLUB MADE ROME REAL TO US

WE HAD a busy and interesting year in Latin Club. Initiation came in October.

A trip through the Roman underworld was scary and impressive. We initiates were transported in the boat of Charon, the bewhiskered ferryman of the river Styx, across the river to the entrance to Pluto's realm.

In November came an election of officers in true Roman style. A lamb was sacrificed to determine the will of the gods. This was a gory spectacle. *(Continued next page)*

Three of the Latin Club officers took advantage of the spring sunshine to discuss plans for the next Latin club meeting.

They are Ed Heath, senior consul; Blanchard Smith, junior consul; Shirley Mason, secretary and treasurer.

WE WERE THE "NOBLEST ROMANS OF THEM ALL" THIS YEAR

THE ROMAN SLAVE SALE came in February. Members who did not have the opportunity or desire to risk Pluto's realm were auctioned to Roman citizens to serve as their slaves until the close of the school year.

The Roman Banquet was April's event, with the Plebs as hosts. It was an evening spent annually in ancient Rome in celebration of the birthday of the Eternal City. Everyone told us it was the most interesting party of the year since Mrs. Wampler, our sponsor, always had some new and original ideas scheduled for the entertainment.

Activities closed in May with a pitch-in dinner dedicated to our Senators, the highest class of our Roman State. The dinner was followed by a farewell program, presented by that noble class.

Roman slaves bow to their masters.

CHEERLEADERS—Left to right—Betty Bowman, Pot Von Strohe, John Pacala, Louise Ritter, Sue Schoenemann.

WE DECIDED to organize a special cheering section and called it the Hundred Block Club. Special hats were our badge of membership. White blouses, purple skirts and white gloves made us more noticeable when we sat in the bleachers and cheered for our Giants. A special bus was provided to take us to and from the games.

The membership never quite reached 100, but those of us who joined felt we had started something that would grow in popularity every year.

Remember 1953

WHEN WE WON the County Basketball Championship, we went wild with excitement. Our cheerleaders abandoned their megaphones to rush out and hug the victorious team.

One other sweet victory produced this effect on the fans. That was when we beat favored Tech in our opening game at the sectionals. It wore us out but it was the upset of the year.

OUR GRIDMEN FOUGHT HARD ON THE GRIDIRON

Jim Wells, Ed Truax, Dick Wilson, Paul Burkert, John Verhonik, Jack Miles, Bob Gary, Bob Britt, Floyd Brunes, Don Wilson, Marcus Jean, Don Miles, Bob Wilbur, and Cliff Cunningham were caught by the photographer as they started into action in one of the games pictured in the background.

ROW 3—Charles Pritchett.

AS THE FOOTBALL SEASON faded away and we looked over the Giant's record, we found that the statistics did not tell the entire story of the season.

The story behind the figures was that our boys started off by trouncing former County Champs, Decatur Central, 39-6.

Then came the high point of the season when Ben Davis, although defeated 7-6, played Warren Central the best game that Warren faced all season.

Ben Davis got back in the winning column the next week by triumphing over Pike Township after losing to Shortridge and Sacred Heart.

An upsurge of spirits came when the Giant's crew downed a good Manual team by a 19-6 count.

But the season came to a heart-breaking close when Howe's Hornets took a 32-13 decision from the Giants.

The record was not too impressive but the discipline and loyalty were there. Ben Davis students were proud that Bob Wilbur was selected as a half-back on the All County Team.

UNDERCLASS GRIDMEN SHOW WINNING POSSIBILITIES FOR NEXT YEAR

THE FRESHMEN FOOTBALL TEAM under the guidance of Jerry DeWitt tied, won one, and lost five games. The small but fighting freshmen were led by halfback John Hingle.

Though the unimpressive record doesn't show all the work, the other grid men gave all they had for their team.

THE RESERVE FOOTBALL TEAM coached by John Masariu and Trent Gipson posted a very impressive 4 and 2 record. The 56 to 0 triumph over Washington was believed to be the most points ever scored by a football team at Ben Davis. Our reserves were led by fullback Terry Alford.

HARD WORK AND THE DESIRE TO WIN EARNED TITLE

COACHED BY JERRY DEWITT, our Ben Davis varsity brought home the first county title since 1945. The team, made up of four seniors, four juniors, and two sophomores, wound up the season with a 16 and 6 record. Our most thrilling victories were in the final game of the county tournament, and in the sectional victory over Tech who was ranked second in the state.

Ronald Ragan led the Giants in scoring, with 328 points for the year, which established a new school record.

Ragan also holds the record for the most points in one game (34), against Southport in the final game of the county tournament.

Pettitt and Wilbur were voted on the all-county team and Ragan was voted on both the all-county team and the all-sectional team.

Graduating seniors were Bob Wilbur, Bob Britt, Ronald Ragan and Dick Pettitt. Returning letterman next fall will be high scoring guard Ed Weil, Joe Priener, Floyd Brunes, Tom Kepler, Jim Stephens, and Fred Stegemoller.

Charles Vance receives the county trophy presented to him by Coach Jerry DeWitt.

COACH JERRY DEWITT happily presents the County trophy to Mr. Charles Vance, principal. This is the first trophy Jerry DeWitt has had the privilege to present to our school and hopes to be able to present many more trophies in the coming years.

Jerry is a graduate of Butler University and has been at Ben Davis for five years. During these five years Coach DeWitt has produced outstanding teams, but this year he produced the County Champs.

BASKETBALL FANS WERE GIVEN A THRILL THIS YEAR

BIG RONALD RAGAN lays up two of thirty-four points he got against Southport in the final game of the county tournament. Trying to defend against the shot for Southport is Jim Ernstine. Looking on are Dick Lepper of Ben Davis and Don Johnson and Carl Merrick of Southport.

Although Ben Davis emerged the County Champs, Southport was fighting all the way.

FIGHTING FOR THE BASKETBALL is Ron Ragan, Jim Ernstine, Don Johnson, Dick Lepper, Carl Merrick.

ROW 2—Jerry Forston, Carl Lentz, Larry Berry, Coach Trent Gipson, Bob Clubb, Walter Inman, David Saurbough.

RESERVES HAD A GOOD RECORD ALSO

UNDER THE watchful eyes of Trent Gipson, our reserve team won 11 and lost 7. Coach Gipson is to be complimented on his first year as basketball coach. The reserve team this year consisted entirely of sophomores playing against teams composed of other sophomores and of juniors.

This year's scoring was led by Tom Crowe and Fred Stegemoller, both of whom had a 10 point average.

Our reserve team is to be praised because of their desire to win, and their "never say die" attitude.

RESERVE CHEERLEADERS—Patsy Petzhold, Geraldine Hingle.

JUST BEFORE the varsity basketball team took over the gym floor, the reserves gave Ben Davis fans a preview of the kind of work they intended to do on the regular team.

Both teams shared the cheering section but the reserves had their own yell leaders. Dressed in purple skirts and white blouses Patsy Petzhold and Geraldine Hingle cheered their team on to victory.

Although these girls will be seniors next year, they will still have to participate in tryouts to decide whether they can go on as either varsity or reserve cheerleaders in 1953-54.

TOP ROW: Marvin Meranda, John Pingleton, Bill Rowe, John Hingle, John Driver, Robert Williams, James Morgan, student manager.

SECOND ROW: Coach John Masariu, Gordon Walker, Charles Kinkead, Bill Lake, Larry Bruner, Don Henderson, Kenny Lane, student manager.

FRONT ROW: Bill Taylor, Fred Cox, Bill Uhrig, Don Poole, Bob Stiff, Robert Hodges, student manager.

OUR FROSH WON THEIR FOURTH STRAIGHT COUNTY TOURNEY THIS YEAR

COACHED BY JOHN MASARIU, our frosh won their fourth straight county championship. The frosh posted a very good record of thirteen wins and five losses, against city and county competition. Scoring consisted of a well-balanced attack led by Don Poole, who was closely followed by Charles Kinkead and Bill Rowe.

In order to meet the winner from the East, Warren Centrol, the frosh were forced to a play-off with the Southport Cardinals at Decatur Central's gym.

Two of the freshman players, Don Poole and Bill Rowe, were fortunate in that they were chosen to play on the varsity squad at the close of the season. Charles Kinkead played on the reserve squad.

The victories were over such teams as Tech, Washington, Sacred Heart, Cathedral, Howe and Shortridge. We dropped contests to Broad Ripple twice, Martinsville, and Southport, and Franklin Twp.

TOP ROW — Mr. Gipson, Don Miles, Prentiss Eastham, David Marks, Don Pratt, Charles Rousch, Larry Shotts, Bill Dadds, Herhall Watts, Mr. Woods.

FRONT ROW — Bob Duling, Dick Hazelwood, Fred Stegemoller, Harold Watkins, Dick Lepper, Leon Redenbacher, Bob Wilbur, Norman Young, Clifford Chapman.

OUR BEN DAVIS DIAMOND MEN, coached by Howard Wood, ended the 51-52 season with a 7 and 6 record. Our Giants started off by losing the first three games to Southport, Shortridge, and Broad Ripple, but improved to thump Franklin Twp. and Lawrence Central.

Cathedral downed us 7-3, but we bounced back with wins over Crispus Attucks, Washington, Southport, and Howe.

The County Tourney, held this year at Victory

Field, was another story, however. Although our Giants downed Southport in the opener, they lost to Speedway.

The Giants' record was not too impressive. But Coach Howard Wood was training a lot of underclassmen, which meant the team would be tougher the next year.

(At the time the annual went to press the 1952-53 season had not opened. It will be reported next year.)

THINLIES CAPTURE TROPHY AND PLACE SECOND IN COUNTY

THE BEN DAVIS TRACK TEAM of 1952 under the guidance of Lou Parnell had a very successful season. Our thinlies placed second to powerful Warren Central in the county meet.

The mile relay team composed of Richard Warrum, Dick Rhoades, Jerry Rushton, and Bob Mock, brought home a mile relay trophy in the county.

The Giants won three meets and lost three.

TOP ROW — Mr. Louis Parnell, Mr. Paul Ritterskamp.

ROW 2 — Carl Rudicle, Bob Perry, Neal Neese, Bob Clubb, Tony Arwine, Bob Beam, Don Fredricks.

ROW 3 — Ed King, Gene Arnold, Earl Cunningham, Floyd Brunes, Jerry Rushton, John Hingle, Walter Inman, Bill Davis.

ROW 4 — Jerry Holbrook, Ronald Freund, Bill Boruff, Tom Kepler, Charles Pritchett, Harry Schmick, Paul Burkert, Brutis Hamrick.

FRONT ROW — Bob Stamm, Kenneth Worley, Ira McQuinn, Larry Jayne, Dwight Abbott, Bill Roach, Ron Utterback, Bob Mock, Bill Taylor.

This is the 1951-52 track record. 1952-53 will be part of next year's book. That team, by the way, won the County Championship.

Bill Boruff, Larry Jayne, Jerry Rushton, Bob Mock, Lyman Smith, Tom Crowe, Bob Stamm, Bill Taylor, Kenneth Worley, Ira McQuinn, Bob Bourne, Mr. Paul Ritterskamp.

PAUL RITTERSKAMP'S CROSS COUNTRY thinlies completed their fall season by winning the County Cross Country Championship. The long-winded runners were led by seniors Jerry Rushton and Bob Mock, who placed second and third in the County Meet.

This was a personal triumph for Mr. Paul Ritterskamp since it was his first year to coach Cross Country at Ben Davis.

The "hill and dale" boys won two dual meets and one triangle meet.

Boys receiving varsity letters were Bob Mock, Jerry Rushton, Bill Taylor, Kenneth Worley, Bob Stamm.

WRESTLING AND BOWLING WERE PART OF THE SPORTS LIFE

THE BOWLING TEAM, an important after school activity, also figured on the sports program. Approximately 50 boys and girls assembled at the Speedway bowling alleys every Wednesday afternoon.

At the time the book went to press, Carl Downs had posted the highest game with his game of 224. Carl also had the highest series with 399 for the two games.

The keglers, members of the American Junior Bowling Congress, were sponsored by Mrs. Margaret Dunlap who graciously donated her time in order to help the bowlers. This was Mrs. Dunlap's first year as the bowling sponsor.

OUR WRESTLING TEAM in their third year of varsity competition showed great possibilities for the coming year. This year's team consisted mostly of underclassmen. The outstanding wrestlers on this year's team were Paul Burkert, Jack Lefevers, and Don Miles; all three boys are juniors and will be back next year.

Our grapplers participated in matches with schools all over the state. The record for the season was six wins to eight losses.

The grapplers scored 15 points in this year's county meet but failed to score in sectional competition.

BEHIND THE SCENES, the seldom heard of student managers worked long hard hours after school.

They took care of and washed the athletic equipment, swept and mopped floors, and took care of the aches and pains of our athletes.

They relieved a lot of worry from the coaches' minds so that they were able to work with their teams more.

* * *

BEN DAVIS WAS FORTUNATE to have these skilled men as leaders. Their hard work paid off in a successful athletic program.

Our victory-minded coaches carried our purple and white to a county championship in basketball; a runner-up in track.

Although we did not capture all county titles in our sports, we were proud of our teams and coaches.

PART OF THE REASONS that the frosh made such a good record in athletics this last season was their backing that they received from their cheerleaders.

Six girls dressed in purple and white, under the guidance of Mrs. Margaret Dunlap and with support of the student body, spurred the frosh team on to their fourth straight county title in basketball.

GIRLS PLAYED A PART IN OUR SPORTS

THE SPORTS PICTURE this year at Ben Davis was both good and bad. Both varsity and frosh teams carried our purple and white colors to a county victory in basketball; the track team placed second in the county for the third straight year.

On the other hand our football and baseball teams did not have too impressive records.

But, win or lose, our fans were behind us. This year's sports season at Ben Davis was a very successful one, thanks to our coaches and athletes.

But, since it takes more than victories to make a successful season, we felt that the loyalty of our fans and the good sportsmanship of our athletes made the year 1952-53 a good one.

SENIOR CLASS OFFICERS

THIS WAS THE YEAR that had seemed so far away in 1949 and now that it had arrived, we were busy people.

Senior play, senior pictures, senior rings, senior prom. Ordering name cards, measuring for graduation gowns. Then came baccalaureate and commencement—1952-53 was a busy year.

We wanted to graduate but we were sorry to leave, for just now we were beginning to realize it meant the end of 4 years of carefree living.

Remember 1953

EIGHTH GRADERS, freshmen, sophomores, juniors, and seniors . . . these were the people who made up our school. There were 1538 of us, studying, laughing, talking and playing.

We had our problems and we had our joys. It was only after we graduated that we discovered what a wonderful 4 years we'd had.

HERE IS ONE OF US, Paul Dean, oblivious to the photographers, working on a saw. He represents the Ben DAVIS type of student—intent, serious, but happy in his school. The type who, for the most part, works hard, and also knows how to have his fun.
